

Jelly Animal Scene

Equipment

- Coloured jelly
- Fruit pureed
- Animal moulds
- Straws
- Biscuit
- Containers

Instructions

- Create food animals by either setting different flavoured jelly in animal shape moulds/straws
- You can also create fruit animals by making fruit puree and freezing in the moulds (banana doesn't work very well)
- Place the jelly animals and/or frozen puree animals into a container
- Pour coloured jelly (blue for sea, green for land) and/or blitzed up biscuit for sand/soil
- Create a scene using the setting and animals
