

## Mythical Slime

### Equipment

- Glitter glue
- Gems
- Liquid starch
- Mixing bowl

### Instructions

- Pour coloured Glitter Glue into the bowl (purple is great for this). Elmer's glue is the easiest to work with although any brand will work.
- Add in your gems.
- Pour in your liquid starch. If you are using Elmer's Glue you really cannot get this wrong. If you are using an off brand only add in one tablespoon at a time until you reach the right consistency.
- Stir. Or just dig your hands in and get slimy
- Enjoy!
