

Create Your Own Firework

Equipment

- Toilet roll
- Card
- Tissue paper
- Lolly Stick

Instructions

- Stick the lolly stick $\frac{1}{4}$ inside the toilet roll
- Place card over the opposite end of the toilet roll to block off the end
- Roll a piece of card around the toilet roll, but leave enough space for the roll to move
- Stick the card
- Cut tissue paper into small pieces
- With the toilet roll pulled down to the bottle of the cardboard tube, place the tissue paper pieces inside
- Create a cardboard cone to place on top
- Quickly push the toilet roll up using the lolly stick
